

4-section planter

Included components: 2 'A' sections, 2 'B' sections

Tools required:

- Crane or forklift.
- Straps
- Silicone sealer for joints

Mirador	1 section
Weight (lbs)	2187
Area of Base (in ²)	950
Pressure (lb/in ²)	2.30

INSTALLATION:

1. Determine placement of planter.
2. Set one section in position with proper equipment such as a forklift or crane. See Fig. 1. See included components section for proper placement to create finished planter. Repeat for remaining sections.
3. Seal joints with silicone sealer to prevent runoff of planting materials.
