

PARC CENTRE

Product Data Sheet

The Parc Centre chair is a clever riff on the Parisian outdoor standard, offering comfort with a pleasing bounce. Parc Centre chairs, tables, lounge and ottoman comfortably support social activities in formal and informal settings alike. Steel construction coupled with economy of form make them nimble enough to move around and heavy enough to hold their ground. Sled bases are stable on grass, gravel or hard surfaces. Seats have a pleasing bounce. Chairs, lounges and ottomans stack.

Chair / Lounge / Ottoman

- The frame of Parc Centre is formed of heavy steel wire.
- Powdercoated seating is offered armless, or with arms, is lightweight and stacks horizontally.
- The seat and back panels are constructed of welded steel straps.
- Stacking bumper/glides are made of tough nylon to resist damage from dragging on rough surfaces.
