

# Take-Out

landscapeforms®

## Product Data Sheet

Designed by Rodrigo Torres, Take-Out brings modern refinement, simplified lines and unparalleled versatility to the connected seating category. Light enough to be picked up, arranged and rearranged, Take-Out opens up new ways for people to connect in outdoor spaces—face-to-face or abreast, an intimate chat or a large group gathering. Five different silhouettes can either stand alone or work together in myriad arrangements. Take-Out's design and component materials are simple, concise and intended to make a compelling visual statement with a strong value proposition.

### Connected Seating

- Take-Out's minimalist form is designed to maximize its function, comfort and accessibility.
- Take-Out is a table with connected seating, available in five different silhouettes.
- Silhouette styles available include a single, double, triple, left triple, and right triple.
- It was designed with flexibility in mind, light enough to be picked up, arranged and rearranged.
- Square or rectangular table tops, and seats are made of powdercoated sheet steel.
- The support frame is comprised of powdercoated extruded aluminum.
- All styles come standard with two (2) bag hooks, each comprised of gray plastic.
- The Left Triple and Right Triple units are wheelchair accessible.
- Take-Out is available either freestanding or surface mounted.
- Supports are fitted with nylon glides for enhanced mobility and durability in rearranging freestanding units.
- Take-Out ships fully assembled.

### Finishes

- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling, and fading.
- A wide range of standard, optional and custom colors are available.

### To Specify

- Specify Take-Out connected seating and select style (single, double, triple, left triple, or right triple.). Choose powdercoat color and mounting option (freestanding or surface mount). All units come standard with two (2) bag hooks. Take-Out ships fully assembled.

### Designed by Rodrigo Torres

U.S. Patent Pending
